ROP, WE ARE “HIRE” EDUCATION

Students will be starting on _____. We have now completed training on medical abbreviations, CPR, professionalism, phone skills, isolation, standard precautions, dental careers, diagnostic careers, therapy careers, information careers, HIPAA, confidentiality, and vital signs.

As last year, students will change sites in late January-February. Some students and sites choose to remain together... as usual, I will let the students and sites decide what mutually works best for them and the class.

Your students are listed on the back of this card, and students will be contacting their respective departments soon. If you have any questions, please contact us at (760) 375-4476 ext. 336 or by email at wrightjd2004@yahoo.com
